Revival at Stanton

Rev. Wm. Kirk will open a revival meeting at the court house in Stanton, Friday, Dec. 3. The plan of the meeting is union, the object being to try to bring every unsaved soul to Jesus. The full gospel will be preached and if you miss this meeting you may miss heaven; if so it is everlasting death. We expect people to come from every part of the county. We are looking for you and your help. Song service each evening at 8.30 preaching at 7. Is it well with your soul? Come, let us reason together. Meeting will probably continue 3 weeks, or as God may direct. Please announce this at all places of worship. I am in full sympathy with all the churches and don't believe in come-out-ism.

Your humble servant,
Wm. Kirk.

Mordecais Meet.

The Mordecais held a very enthusiastic meeting at the Methodist church Friday night, and initiated several new members. The members of the order are planning to hold a big entertainment Dec. 18, the funds raised from which are to be used in having a Christmas tree for the children of the town. A committee was appointed to settle the details, and met again Tuesday, arranging a splendid program of local talent. The entertainment promises to be one of the best ever put on here, and should draw a large crowd. Further particulars will be given later.

STANTON.

(By P. O. Derthick.)

Misses Mollie and Daisy Johnson spent Thanksgiving holidays with their sister, Miss Maxie Johnson, who is attending State University at Lexington.

Mr. D. R. Clark was in Jackson several days last week on business.

The children of Miss Thompson's and Miss Carver's room gave an entertainment at the college last Wednesday afternoon that was very pleasing to the large crowd that heard it.

The funeral of Mrs. Bettie Derickson was held at the Presbyterian church Sunday morning by the writer, assisted by Rev. J. C. Hanley. Mrs. Derickson was a woman of lovely Christian character and will be missed by a host of friends. She was taken sick while visiting her daughter, Mrs. Maggie Easton at Whitesburg, and died Friday morning. She leaves nine children to mourn her loss, George, Jessie, Alvin and Oscar Derickson; Jennie, Emma and Mrs. Maggie Easton, Mrs. Harriet Sharp and Mrs. Tenny Elkins. She was 64 years of age and had spent most of her life in Powell county.

Walter Thacker, Donald Bohannon and Prof. Richie attended the football game between State University and Tennessee University Thanksgiving day at Lexington. They report that it was a great game.

A number from here attended the Educational meeting at Clay City and took part in the splendid program. Among those who went were Marion Atkinson, Richard, Charlie and Guy Crow,

James Chaney, Miss Nora Martin, Miss Lillie Boone and Mrs. Kate Bohannon. Mrs. Seale provided a splendid lunch for all that attended.

Miss Tencie Derickson and Mr. Jesse Elkins were married at Jackson last Tuesday the 22nd. Mr. Elkins is a splendid young man and is agent for the O. & K. at Index. His home is in Morgan county. We wish them much joy.

Mrs. Neal Ranson and her two children left Friday night for a two weeks visit to her home people in New Concord, Ohio. Some one take pity on Prof. Ranson and give him a square meal once in a while as he is batching it.

Dr. and Mrs. A. T. Knox, of Russell, spent Thanksgiving day with Rev. J. C. Hanley and wife and partook of the bountiful dinner at the dormitory.

Miss Arvie Littleton, who has been stenographer for A. T. Stewart for several months, has gone to Winchester to accept a position in the law office of C. F. Spencer.

Mr. and Mrs. J. W. Williams spent Thanksgiving with Mr. and Mrs. Chas. Little at Jackson, and visited other friends before returning home.

Miss Hattie Hardwick spent Thanksgiving with her sisters, Mrs. Mollie Crawford, and Mrs. Ben Sewell, at Jackson.

Mr. and Mrs. Clarence Atkinson and little son, Marion, spent Thanksgiving with Mr. and Mrs. J. S. Ewen and family, and visited their many friends and relatives.

Miss Maymie Derickson gave a social to her many friends Thursday evening. The guests all had a very enjoyable time.

The Christian church will hold their own Prayer Meeting every Wednesday night at their church. Everyone cordially invited to attend and help out in the services and make ourselves stronger in the Christian life.

There was a Thank Offering Service at the Presbyterian church last Sunday night, conducted by the Womens' Missionary Society. About \$25 was given for foreign missions and a good program was carried out.

The little baby of Mr. and Mrs. Marion Strange has been seriously sick for several days, but is now improving.

Mr. June Rogers and baby are on the sick list this week.

While here at the funeral of their mother, Mr. and Mrs. Alvin Derickson visited out on Mt. Canaan with Jesse Derickson and family. Jesse returned to his work at Ulvah, Perry county, Tuesday.

Mr. Fred Blackburn left Sunday for Chicago to attend a conference of the United States Department of Agriculture to form plans to combat the foot and mouth disease. Mr. Blackburn is a member of the State Board

Tophers Daniels Opens Meat Market.

Tophers Daniels has opened a meat market in the Cassidy building, adjoining C. Shimfessel, and will be prepared to supply the public with fresh meat.

He will handle a full line of home killed meats, including beef, pork and sausage, at the lowest prices. Give him a trial. adv.

Rev. D. H. Matherly will fill his regular appointment at Speedwell, Sunday afternoon and will preach at Richmond, Madison county, Sunday night.

The town looked much better Monday night as a result of having the electric lights on again, after an absence of a few years. The Pearsite people have put the plant in shape again, in order to have light for their own use, but will probably supply any of those who will wire their houses.

Last week we inadvertently stated that the Booster campaign at Mrs. Williams' store would close Dec. 8. The correct date was Dec. 29 the last Wednesday in December.

J. B. McLin, formerly Postmaster of Jackson, but now representing a Nashville wholesale house, was in town Tuesday.

Dr. Martin reports the birth of a fine boy to the wife of Pierce Richardson, also one to the wife of Doc Thomas, and a pretty little daughter to the wife of John Snowden, jr., of Waltersville.

Mr. W. R. Cassidy is mourning the loss of his faithful little dog, "Monkey," who succumbed to a dose of poison a few days ago.

Mrs. Frances Brown.

(Contributed)

The many friends of Mrs. Frances Brown, widow of Clay Brown, will be shocked to learn of her death, which occurred at Middletown, Ohio, November 16. Mrs. Brown was well known and loved in Clay City, where she spent most of her married life. After the death of her husband some eight years ago, she went to live with relatives in Newport where she remained until about six months ago, when her health failed and she went to live with her sister, Mrs. Thos. Cain, at Middletown, at whose home she died of dropsy and heart failure. She was perfectly ready to go to meet her Savior, and received his summons calmly and peacefully. She was conscious to the last, and made most of her funeral preparations. Mrs. Brown was a good, kind Christian woman, ever cheerful and happy, and all her acquaintances were her friends. She was 66 years, 9 months and 12 days old. The funeral was at Grant's Lick, Ky. Nov., 19, the remains being taken there in an auto hearse. She leaves 3 sisters and 2 brothers to mourn the loss of a good kind sister, but we have the comfort that she is asleep in Jesus.

Mountain Highway.

The mountain highway, to run from a point near Pound Gap, on the Kentucky-Virginia border near Jenkins, through Whitesburg and down the north fork of the Kentucky river via Hazard, Jackson, Beattyville and Irvine to a point near Richmond, Madison county, to a connection with the Dixie Highway, a distance of about 170 miles, is again revived. Each of the five counties through which the mountain highway pass agrees to build the road through it by voting the necessary bonds for that purpose. At a meeting in Jackson, Breathitt county, the subject was thoroughly discussed, after which a good roads' association was formed with a large membership to foster road building the Eastern Kentucky mountain counties. Resolutions are to be held. Another meeting is called for the latter part of the month at Beattyville.

Colds Need Attention.

International throat and chest troubles produce inflammation, irritation, swelling or soreness and unless checked at once, are likely to lead to serious trouble. Caught in time Dr. Bell's Pine-Tar-Honey loosens the phlegm and destroys the germs which have settled in the throat or nose. It is soothing and healing. Pine is antiseptic; honey is soothing—both together possess excellent medicinal qualities for fighting cold germs. Insist on Dr. Bell's Pine-Tar-Honey. 25c. all druggists.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst.

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

Feels No Need of Dieting Now

J. W. Dougherty Says he Eats All He Wants Since He Began Taking Tanlac

Louisville, Ky., December 1.—Among those who have tested the value of Tanlac, the premier preparation, and who are loud in its praise, is J. W. Dougherty, of 2111 West Market street, this city. He is widely known in Louisville. Recently he said:

"For a long time I had been a sufferer from catarrh and stomach trouble. I had no appetite to speak of. Every morning I got up it seemed to me, feeling worse than I had the day before. I was all choked up, and what sleep I got seemed to do me no good. I tried dieting, but that did not help. My condition got worse instead of better.

"Friends urged me to give Tanlac a trial, and finally I did. It was remarkable how quickly it helped me. My appetite improved. It wasn't a question of dieting any longer—I ate all I wanted and I wanted a lot. I began sleeping soundly. I have gained strength and weight."

Many others suffering from catarrh have found relief in Tanlac, just as Mr. Dougherty did. They have made public statements like his in praise of this peerless remedy.

Tanlac is now being sold in Clay City, at Eaton & McGuire's, in Stanton, at Hardwick & Co's.

Big Contract.

The Ford Motor Car Co., has closed a contract with H. G. Garrett and J. H. Hardwick, of this city, for 40,000 sets of hickory rims for Ford cars, the rims to be turned out at their plant at Columbus, Ohio. Messrs Garrett and Hardwick have secured also a contract from a Chicago mail order house to furnish to furnish 10,000 porch swings.—Winchester Democrat.

Somebody Would Laugh.

"Sure, O'H! write me name on the back of your note, guaranteeing you'll pay it," said Pat, smiling pleasantly as he endorsed Billup's note, "but O! know damned well ye won't pay it. We'll have a laugh at the expense of the bank."—Life.

Mexico's Capital.

Standing toward the southern extremity of the great plateau of Anahuac, reposing in a beautiful valley full of natural resources and rich with historic lore, is the City of Mexico. Of singular and varied interest is this capital of the republic whose name it bears, for its geographical situation and historical associations are such as assign it a leading place among the great centers of Spanish American civilization.

Velvet for Cleaning.

A small piece of velvet is a fine cleaner for brass, and for polishing silverware it is better than chainoil. It quickly removes the dust from woodwork, and if used to rub the stove after it has been blacked will produce a high polish. There is nothing better to dust a felt hat. Silk dresses and other silk articles should always be dusted with it, for it cleans perfectly without cutting or otherwise injuring the silk.

Great Majestic

The economy of the best range

Every bread-baking that falls from the range adds to the economy of the range. The range that will produce the best results is the most economical.
The Majestic gets more baking results because the heating is distributed evenly over all parts of the oven, and is reflected onto the baking by the asbestos lining, thus baking evenly without turning. Sure baking means economy of both food and fuel.
The heat cannot escape because the oven is hammer riveted and requires no patch. Heat being retained, less fuel is needed to bake, thus even better economy. Baking is done with less fuel, double economy.

A good camel will travel 100 miles in a day. An ordinary camel travels only 75 miles in a day. In buying camels try to select those having both speed and endurance.

Explains Flow of Rivers.
The easterly direction of the great rivers of America is obviously due to the position of the Andes, which runs north and south, on the western side of the continent, while the chain of mountains which traverses Europe and Asia from west to east cause the great number of rivers which flow north and south.

Sources of Rivers.
The great majority of the first-class rivers commence from chains of mountains, because springs are there most abundant, perpetually fed by the melting of the snows and glaciers. They have almost invariably an easterly direction, the westward-bound streams being few in number, and of very subordinate rank. Of rivers flowing east, we have grand examples in the St. Lawrence, Orinoco, Amazon, Danube, Ganges, Amour, Yangtse-Kiang and Hoang Ho.

National Songs.
Every nation has its national song, or hymn, corresponding to our "Star-Spangled Banner." Poor, indeed, would the nation be that did not have its patriotic songs and music, and, above all, its one crowning song of country-love and devotion.

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was good as new."
